Project Title	Where are Haitians going?
Project Summary	If you can review and report on Caribbean area traditional and social media (must have great Spanish skills, Dutch, French skills a plus) on where and why Haitian migrants/refugees are going, how they are treated, etc, we want to hear from you!
Country	United States
Country/Region of Focus	Latin America and the Caribbean

Project Description

We are interested in what Caribbean, and regional official and social media are saying about the Haitian diaspora, where are they going and why, how they are treated, what their needs are.
1. Which countries report Haitians entering their borders? Are there numbers mentioned?
2. How are Haitians treated in that country (by the government, others)? Is civil society assisting?
3. What is the tone of the media in these aThis will inform us of the current realities, issues and reach of Haitians in the diaspora.
1. Which countries report Haitians entering their borders? Are there numbers mentioned?
2. How are Haitians treated in that country (by the government, others)? Any information if civil society is assisting?
3. What is the tone of the media in these articles?
4. Are there examples of best (or bad) practices that other governments might benefit from?
Spanish is a must (reading and listening), it would be helpful to also access media in Portuguese, French, Creole and Dutch.

Required Skills or Interests

Skill(s)
Analytical writing
Editing and proofreading
Research
Writing

Additional Information

Data analysis skills admired, can be used for painting picture of where and how many Haitians are in each country in the region, whether or not they have documents to enter legally, etc.
